Parents and Scouts,

Our February Outing will be an overnight lock-in at the City Museum. We will meet at the City Museum Lobby for Troop check-in on Sunday, February 14th at 6pm. Pick-up will be at the City Museum on Monday, February 15th between 7-8am. The scouts will have a pizza buffet dinner sometime after 6:30pm and then are welcome to explore the museum for the rest of the evening. Our Troop will be assigned a "sleeping area" and we will require the boys to check in at that location throughout the night. The Troop will provide drinks and snacks during the evening.

I have attached the permission slip as well as a list of scouts that have already made their reservation. Although the event is now sold out, I do have a few spots still available. Please contact me immediately if your son would like to attend. Also, if there are scouts who made a reservation and are now unable to attend, please contact me ASAP so that another scout may take his place. If all of our spots are filled I will be glad to start a waiting list. I will be collecting payment and permission slips at the upcoming troop meetings or feel free to mail it to me directly. Please note that no refunds will be given after January 26th due to the registration commitment required by the City Museum.

Also, I will contact the parents that have volunteered to stay overnight in a later email...thanks for your help!

Please call/email with any questions.

Thanks,
Renee Rachell
