

February Lock-In

It's that time of the year again for our annual Scout Lock-In! Back by popular demand, will be an overnight outing to the St. Peters Rec-Plex. The lock in will begin Saturday, February 11th, 11pm - Sunday, February 12th, 5am.

There will be many exciting activities for the boys. There are 2 swimming pools with spring boards, diving platform, lap lanes, water slide, hot tub, lazy river and the ever challenging Iceberg inflatable! The ice skating rink will be available, skate rental is included or feel free to bring your own. FYI...helmets are required for skating. The boys will also get to skate in their "street shoes" (tennies) no skating skills required! We will play broom-ball and other ice games. The gym will be open for basketball and/or volleyball. There is a TV room for some down time or to grab a nap. All areas will be open throughout the night. We will have pizza & drinks too.

Also, our scouts are welcome to invite their friends (non-scout or scout from another Troop), if they would like. The boy must be between 11-18 years old and please have their parent fill out a permission slip and payment as well. You will find the permission slip on the Troop website with more information. Please feel free to mail it to me or drop it off at an upcoming scout meeting.

As always, adults are welcome to attend. I will need a minimum of 6 adult chaperones, so if you're interested please contact me ASAP.

Our lock-in outings are always a good time, and as in years past, I am hoping for a BIG turn out! Please encourage your son to sign up; there will be something fun for everyone!

Please feel free to contact me with any questions you may have.
