This comprehensive basic training is the very best way for all Adult Leaders and Parents to be trained for their current and future Troop positions, to gain a thorough basic understanding of how the Scouting Program works, to learn ways to apply this in their home units to help their Scouts run a successful troop program, and to obtain references and resources available for further knowledge.

Class Prerequisites: On the BSA National on-line training center (<http://olc.scouting.org/>), complete *This is Scouting*, *Troop Committee Challenge*, and *Boy Scout Youth Protection Training courses*. Create a "My Scouting" account **using your BSA membership card number**, or log in with your e-mail address if you don't know your membership number (it can be filled in later when you have this information). Print out & bring the Certificates of Completion for each course (sometimes these won't print out until the next day).

- Registration is \$20 (Council fees/course materials), plus \$2 cash for snacks/drinks. Fees are payable when you check in at the first Indoor Session.
- Please bring a sack lunch for the Saturday indoor session.
- New Boy Scout Parents, Untrained Leaders, 2nd-Year Webelos Leaders, Scouts over 18...Please plan to attend and Preregister NOW!
- You will gain first-hand knowledge of how the Aims and Methods of Scouting work for your Scouts...and they will benefit greatly from your training!
- Participants are strongly encouraged to wear a Scout uniform. The uniform may be new or old, your own or borrowed. You do not need to purchase a uniform just for the Training sessions.
- Religious services will be held during the weekend campout.
- Participants will share the cost of food for their Patrol for Outdoor Weekend meals (\$12-\$15/person).
- Tent camping is involved for the Outdoor Weekend session. Participants will need to bring personal or borrowed camping gear. An equipment list will be provided at Indoor Session. Other participants and Staff Trainers may also loan equipment.
- "Be Prepared"...for lots of fun, lots of activities of all kinds, and to make lifelong friends!
