Please print any recommendations and/or requirements keeping in mind the following guidelines:

Recommendations/Suggestions - These items listed by the board are just that, recommendations that the board has for the Scout regarding his project. The Scout should consider the suggestion but is not required to amend the project.

Requirements - These items listed by the board are items that must be done by the Scout in the project and must be included in the final write-up.

This form is to be included with the documentation that is given to the Scoutmaster and Committee Chair.
